Dear Author(s):

Thanks for your contribution! We are pleased to inform you that the above paper has passed the peer review, and has been accepted by the 2024 2nd International Conference on Computer, Machine Learning and Artificial Intelligence (CMLAI 2024).

CMLAI 2024 aims to bring researchers, academics and students to the areas of computer science, machine learning, neural networks, algorithm design, and artificial intelligence, and will provide an international forum for sharing the most advanced research results, experiences and original research contributions on related topics.

All accepted papers will be published in the conference proceedings of "Highlights in Science, Engineering and Technology" (ISSN: 2791-0210), which is an open access, peer-reviewed publication series published by Darcy & Roy Press. And all published papers will be submitted to CNKI, Crossref, Scilit, ResearchGate, Google Scholar and CPCI databases.
